## GODZILLA™

The prehistoric powerhouse, Godzilla has his own game on the Duo! Since it is a Super CD game, expect to see incredible sound, monolithic monsters, and masterful music. Godzilla contains fourteen monstrous creatures straight from the rubber monster movies. If you want, you can fight it out against a friend. Each character has a variety of ultra-spectacular moves, like breathing radioactive fire, or swinging your gigantic tail. Godzilla is a fighting game like no other! This game recreates the action and fun of the movies by virtue of side-view, multi-scrolling action.

## NIGHT & MAGIC III™

Hudson has a great new conversion of the third game in this popular computer series. Might and Magic III takes you into a medieval world plagued by man-eating creatures and undead beings. You and your party of adventurers must search for something that can bring peace back to the land. Might and Magic III uses a first-person perspective to put you in the midst of the action. How cunning and daring you are will determine your fate. There are many character classes to choose from. No matter what you do, you will enjoy yourself.

Q: I understand your new releases are in Japanese, but I can't read Japanese!

A: We can't either! We just want more great games for this system. The titles we pick are easy to understand by most gamers. Fighting games do not require any translation, but you had better be good to play a Role Playing Game. Ask before you buy... remember that the manuals are also in Japanese, and sorry, the PC Engine Converter we sell does not translate the games into English.

Q: Why is it so hard to find some Japanese games? And why are the prices so different?

A: The Japanese game market is very different from the American market. If you do not buy a game when it is first available, you may not be able to find it a few weeks or months later. On the other hand sometimes we can get a great deal on an older game to save you money. We always try to offer great prices on imports. If we get a good deal, you get a good deal.
